THE TRIUMPH SPORTS SIX CLUB

Showcar Register

The Showcar Register has been formed to enable the Club to locate a wide selection of Triumphs that meet the necessary standards required for display vehicles, either for national classic car shows/events or for articles in classic car magazines and other national publications.

During the show season (usually March-September), the T.S.S.C. attends a wide variety of shows and events to help promote our range of cars and the Club. We would like to take this opportunity to invite you to include details of your Triumph on the new register. Members listed on the register will be notified of any future events that we will be attending and given the opportunity to display their car on the Club stand.

From time to time we get approached by the national press who require feature cars for magazine or newspaper articles. If this is of interest, please complete the relevant section of the details form overleaf.

All information that is held on the database is confidential, and will not be used for any other purposes than the ones stated above.

If you wish to be included on the register please complete the details form on the reverse of this sheet.

If you require further details on the TSSC SHOWCAR Register, please contact **TSSC HQ, e-mail: info@tssc.org.uk OR Tel. 01858 434424**
