

## TSSC Cheshire 2021 Event list i4

All the events listed below were believed possible or likely at the time of writing, while dates are (mostly) those provided the organisers on the web. This list (2021 issue 3) was originally prepared with a large slice of optimism. Outdoor events are much safer than indoor ones, but all events are subject to government guidelines of the day. I stress, of the day.

Stay Safe!
