

TSSC Northamptonshire
Summary – Meeting August 12th 2026

21 enthusiasts present, 16 Triumphs.

It was great to see Glynis again, and to meet Kirsty and Josh!

We met outside the pub, for some chit chat about the eclipse and about the hot weather, cars etc. When we had a full house, we moved into the pub garden.

On to business as usual, Tracey sorted the raffle for us, with some beautifully wrapped prizes for us to compete for!

Jane ran through the business of the evening, not much at this time of year, simply a run through of forthcoming car shows and gatherings, along with confirming the next Brunch date for Aug 26th, and the one after that for Sept 30.

Peter gave us a really good format of quiz, very enjoyable, with the team of Steve D, Ken, Dave and Jane H winning. Next month's quiz is a joint effort from Steve and Jane.

Thanks everyone, see you again soon – next area meeting Sept 9th.
