

Come and join us for the TSSC National Weekend!

It's looking to be a great weekend with camping at the local school playing field, less than 5 minutes walk from TSSC HQ (Showers and toilets will be provided) and plenty of events planned:

Friday 8th August – Arrival at the campsite from midday. **Noggin and natter at HQ** in the evening with **optional fish and chips** delivered from the local chippy. Note that there is limited space for camping, please book early to avoid disappointment.

Saturday 9th Day – Drive out to **Coventry Transport Museum** with reserved parking in front of the museum (Triumphs only, moderns in the main car park please). Discounted entrance of only £5 per person.

Saturday 9th Evening – **Party night at HQ** with optional pre-booked **BBQ**.

Sunday 10th – **Car show** on Lubenham Village Green with People's Choice award.

PLEASE COMPLETE AND RETURN

Please complete and return if you want to attend **even if you aren't camping** so that we have an idea of the numbers attending and those wanting food. Payment for everything apart from the camping will be on the day.

To book please complete and return by email to info@tssc.org.uk or post to TSSC National Weekend, Riverside Forge, Water Lane, North Witham, Lincolnshire, NG33 5LJ.
