

TSSC/T2KR New Year Run 2026

Start from Queen's Square Car Park, Attleborough, NR17 2QW from 10.30am.

Ending at Forncett Industrial Steam Museum, Low Road, Forncett St Mary, NR16 1JJ, around 11.30am for bacon roll and a cuppa. **There is a £10 entrance charge per person at the museum which includes a cuppa and a bacon roll, entrance to the museum with guided tour*.**

We've got a short route this year of approximately 15 miles and should take around 40 minutes. Note that there are two fords to cross, but there is an alternative route to miss out the first one.

This is **NOT** a timed event, rather an enjoyable amble around the boundary of Norfolk. All timings are approximate and allow enough time to be able to drive sensibly.

You are advised to comply with all Road Traffic Regulations and Speed Limits.

Please note that some roads might be frosty and slippery please take care.

Some roads are narrow with blind bends. Please be careful of horses, cyclists and walkers.

We advise entrants not to bunch up or form convoys and to respect other road users.

Everybody wants to travel at their own speed - if you find a trail of Triumphs behind you please pull over and let them pass.

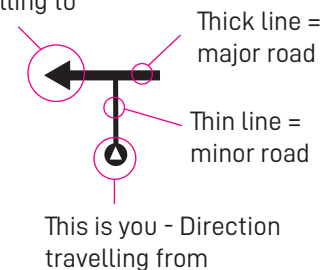

And finally, remember it's meant to be fun, if things get fraught please just put the relevant postcode into your SatNav and go straight there.

*The museum is managed and run by a dedicated team of volunteers. It doesn't receive any government funding and relies on money raised from admission fees and sales in the shop and café to pay its running costs. Your support on this event is greatly appreciated.

Navigator Notes

Tulip diagrams

This is where you need to go - Direction travelling to

You will need a clip board and a pen or pencil. Map/SatNav would also be useful.

Most of the junctions are give-way, so you don't have to worry too much until you come to a stop.

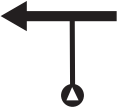

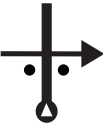

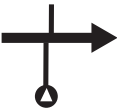

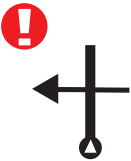

Junctions that go from a major to a minor road, which you will need to look out for, are marked

! Make sure you tick off each instruction as you go past them.
