BOOKING FORM 2018

Terms & Conditions

BOOKING NOTES/TERMS & CONDITIONS - PLEASE READ CAREFULLY

1. When you have downloaded this form, please complete with your booking requirements. When you have completed the form, **print/sign** then **post, fax or scan/email to the TSSC Office or Phone 01858 434424**. Our fax number is 01858 431936, email info@tssc.org.uk.
2. A Camping or chalet ticket admits one car to the campsite; you also need to book club entry to the event and parking. Camping tickets are only available to those booking Club Entry tickets with us, we cannot offer camping on its own. If you are not camping with us, you will need to book club entry and the appropriate Car Parking ticket. Classic parking is within an area on the circuit which is exclusive to the TSSC but modern parking is off-circuit.
3. The charge for special delivery is mandatory because we only receive the tickets from the organisers shortly before the event. We therefore cannot risk the tickets being delayed in transit to you in the normal postal service. Please select as appropriate for UK or overseas delivery.
- 4.. The fluctuation of Sterling against the Euro is a significant problem. The TSSC has done everything possible to minimise costs of attending this event but we have to reserve the right to apply a mandatory currency surcharge at any time up to 01/05/2018. The decision to apply a surcharge will be made as follows. If the value of Sterling as quoted in the NatWest commercial currency sell rate falls below €1.10, a 5% surcharge will be applied. If the value of Sterling falls below €1.08, a further 5% surcharge will be applied. Failure to pay the surcharge will be deemed to be cancellation (please see Note 7). The Currency surcharge will not apply to delivery charges.
5. Payment is due at the time of booking. In the event that you need to cancel, refunds will only be given at the discretion of the TSSC. If you do need to cancel, please advise us as soon as possible as we may be able to resell your tickets, in which case a 10% handling charge would apply. In the unlikely event of cancellation by the event organisers, the TSSC will refund all money recovered from the organisers.

PLEASE PRINT/SIGN THE COMPLETED FORM AND POST, FAX OR SCAN/EMAIL TO TSSC:
