TSSC Insurance Valuation Service

Have you filled in one of these lately?

£25

For 2 Years peace of mind! Or just £12.50 a Year!

What does Twenty pounds buy you nowadays?

A round of drinks down the pub with your friends? Steak and chips at the local? Or the latest bestseller hardback from the bookshop? OR it could guarantee that should the worst happen to your Triumph, you will have the peace of mind knowing that you have got a **TSSC Agreed Value** policy with Peter James Insurance. "Oh, I already have one of those" you say! Are you sure? Because if the insurance company has sent you a form and told you that you can "Value your car yourself", then it IS NOT a TSSC "Backed" Agreed Value policy.

Most self-certified condition/value forms are woefully undervalued as their current owners hold a very inaccurate estimate of current values.

For it to be a **TSSC Agreed Value** policy, your car has to be inspected either in person or at Club HQ, at one of the many Club shows or by one of the TSSC trained valuation officers.

You can also, of course, supply a TSSC Valuation Form (**Valid for 2 Years**) and photographs by Email or Post, and we can value your pride and joy that way.

In all the years (30+), we have offered this service, when there has been a claim it has always been settled at the agreed value. With a TSSC backed agreed value, you have the full backing of the TSSC as we are the ones who set the values.

So, don't delay, check your policy and see if you have a **TSSC SIGNED** agreed value form.

If not, request one from TSSC HQ on **01858 434424** email info@tssc.org.uk or Download and Print one from the www.tssc.org.uk under the Documents tab.
