CONCOURS: The vehicle and its components must be in a condition of original specification, free from blemishes, faults and wear. This condition will only apply to vehicles previously entered or being eligible for entry into concours competition and evidence of entry may be required.

A1+ The vehicle must exceed A1 - SERVICEABLE and with a little effort could be considered to be Concours.

A1/S - SERVICEABLE The vehicle must be in excellent condition with bodywork/chassis mainly free from rust. The vehicle's components should be free from any but trivial faults and should work efficiently.

P - PROJECT The vehicle is usually in need of a full restoration of all its components.

YOU MUST BE A CURRENT TSSC MEMBER OR TSSC VALUATION REVERTS TO 'MARKET VALUE'

Provided the details and member's valuation are in order, a file will be opened. If the Club Car has been over or under valued by the member, a more realistic value will be set and you will be advised accordingly.

In the event of a dispute, the Club valuer may request more information or a personal inspection.
