In the event of an incident or claim Insurers reserve the right to request additional valuation evidence and to repair or replace the insured vehicle.

- 1) Agreed Value Cover only applies once the valuation has been completed by the Triumph Sports Six Club and submitted to a TSSC Insurance Panel member and accepted by the Insurer. Although cover can be provided prior to a valuation being obtained any incident or claim happening before the evidence has been received and accepted by the Insurer will be settled on a 'Market Value' basis.
- 2) This information is given in good faith without any responsibility of the TSSC, its agents, employees or members.
- 3) Please note that any inaccurate description of the vehicle(s) may lead to delay in settling any claim or to repudiation of the claim.
- 4) Separate independent assessment may be requested before a value can be agreed and Insurers do not accept any liability for any charges or costs associated with the assessment of vehicle condition.
- 5) TSSC Insurance Panel members appoint no agents.
- 6) Insurers subscribe to and maintain Anti-Fraud Registers and exchange information with each other to prevent fraudulent claims.
- 7) It is recommended that the Agreed Value be reviewed at intervals, no longer than two years or at our discretion, should we consider that significant changes (whether increase or decrease) in market values have occurred.
- 8) The endorsement of a vehicle value on this form by the Club Official should be taken as only indicative of a current value based on the information provided by the proposer and not as a guaranteed market value or selling price.
